

Good News Brazilian 2019

IMHOPE's mission to Brazil was a huge blessing! The USA team of 10 people worked seamlessly with 30 Brazilian believers to share the gospel in the city of Alagoinha.

*The Church was planted, and a missionary family remained in the city. *The gospel was presented each evening to over 300 people in the public square. *153 people accepted Jesus Christ as Savior, and new believers were baptized. *Children learned about Jesus, and there were 60 students in the English and Bible classes. *Doctors and dentists served many people, daily. *Believers were disciplined by IMHOPE team members.

FROM MY HEART TO YOURS

International Ministries of Hope is committed to sharing the hope and power of God to the nations. I want to thank you for your partnership and generous support. God is using your faithfulness to reach real people like Elton, who was connecting with God and accepted Jesus in Alagoinha, Brazil.

IMHOPE Ministries depends on God and His people for financial support. As a result our motto is: **Trust the Lord and Tell the people.** Our partners and churches have responded graciously for the last ten years. We want to thank each one of you for your faithfulness. Your financial support is greatly needed at this time as we have almost depleted our general fund account. We ask you to please help at this crucial moment. Give a generous contribution to help us share God's Word and lead souls to faith in Jesus Christ. The decision you make at this time will rewrite eternity for countless numbers of people.

I am continually amazed at what your giving helps us to accomplish for the Lord. I have no words to thank you enough for your faithfulness. You can send your gift to IMHOPE Ministries:

"Our challenge for 2020 is to build a temple in Alagoinha and plant a church in the city of Campo Grande do Piaui."

Prayer & Praise

- ✦ Pray for our financial needs, which are Great. An example is \$15,000 to construct the church in Alagoinha, in July 2020.
- ✦ Pray for the leaders of the Hispanic Church, as we will stay focused to reach the Hispanic people for Christ.
- ✦ Pray for Pastor Mike Hall, who will go in December to Tersina, Brazil, to lead a conference at First Baptist.

Leticia's Testimony

Maria Leticia accepted Christ and was baptized. Then like Philip, who found Nathanael, testified to her friend Greysy who also accepted Christ and was baptized. Marinete went to Alagoinha from Tersina to disciple Leticia and Greysy. Both of them are now teaching Children's Sunday School. Leticia took Missionary Rosinaldo and his wife Sandra to a city 8km from Alagoinha to preach to her family. When they arrived, there were over 30 people waiting to hear the Gospel! Praise be to God!

Marsha's Testimony

When my husband Chris and I felt led by God to go to the Brazil mission trip, we wondered how we would raise the money. We prayed for God's provision, sent out letters, and used social media. God show up in a big way! The commitment was made and we were asked to teach English classes. We taught two classes daily with a total of 60 students. They were eager to learn English, the Christian songs and Bible stories. The students learned the songs well, and even performed in one of the evening church service on a public square. We rejoiced seeing four students accept Christ.

Nikelly is 18 years old, who stood out. She had a church background, but had made some bad choices that made her feel like an outcast. She left the church and she is practicing witchcraft. We were able to spend time with her and remind her of God's great love. She invited us to her home and allowed us to pray for her, and we continually pray that God will turn this around in her life. It is easy to judge people, but harder to love them and God chooses love. We may be the only God some people ever see!

Brazil was a life-changing mission for us! God said Go- so we did. It was a great investment in God's Kingdom from which we continue to reap the blessing!

Vacation Bible School

Wilmer Baptist Church held Vacation Bible School for Hispanic children at "Iglesia Hispana La Esperanza." The week started off with the roar of a lion. Kids and adults alike worshiped the Lord as we began the week of VBS with the theme "Into the Wild." Each day there were crafts that went along with the Bible studies and songs about characteristics of Jesus. The van was packed each day as we picked up kids from around the neighborhood to start the day at Big Creek Baptist Church with breakfast. Everybody enjoyed the recreation time, especially on snow-cone day! And pizza for lunch was a big hit before going home.

The face painting was fun, where the kids were painted into their favorite wild animals. The VBS was truly a blessing for all the teachers, leaders, and some of the youth from Wilmer Baptist Church.

"They do things for the children that our small church doesn't have the resources to provide and leaves them with wonderful memories," said Lorna Daniell, translator. "This is an investment in God's kingdom and eternity," added Gecina DeSouza, our pastor's wife. Praise God that he always leads us in triumph. Special Thank You to Wilmer Baptist Church!
